Honorable Kevin Brady
Chairman, House Ways and Means Committee
1102 Longworth House Office Building
Washington, D.C. 20515

Dear Congressman Brady:

On behalf of the approximately 30,000 customers Quadvest Utility serves in Southeast Texas, we would like to thank you for your integral part in the development and ultimate passage of the Tax Cuts and Jobs Act of FY2017. The passage of this key piece of legislation has allowed Quadvest to proactively reduce our customers' base water and sewer fees by 26% or almost \$90 per year/family. We would like to further note that most of the customers benefiting from the reduced utility rates reside in your 8th congressional district.

Thank you for your service to our country as one of our legislative representatives. I appreciate your time and commitment to serving the people of Texas and allowing them to keep a little more of the money they work so hard to earn.

Regards,

Simon Sequeira
President of Quadvest
